

0189 Combination ratchet spanner with lever, 6 mm, 24 Nm, MATADOR item no.: 01890060

0189 Combination ratchet spanner with lever, 6 mm, 24 Nm, MATADOR item no.: 01890060

Beschreibung:

Creaking ring wrench with changeover lever for fast, comfortable work without moving the key. Straight shape, with 15° angled mouth side. Ring side with ratchet function, finely toothed with 72 teeth and only 5° swivel angle. With patented ratchet gear made of special steel. Durable industrial quality, torque values up to 70% above DIN. With switch lever for right- and left-hand operation. Made of chrome vanadium steel (31CrV3), with matt chrome-plated surface for a pleasant grip even with oily hands.
