

0280 Combination spanner, 60 mm, MATADOR item no.: 02800600

0280 Combination spanner, 60 mm, MATADOR item no.: 02800600

Beschreibung:

The proven classic from MATADOR, the pull ring spanner.

Combination spanner for **highest torque values**, the proven classic from MATADOR for tightening and loosening large screwed connections, e.g. for **heavy industry**, shipbuilding, plant engineering, etc. Precisely drop forged. Very high toughness, together with a slip-on tube a very high force application is possible. Made of chrome vanadium steel (**31CrV3**), with matt chrome-plated surface for lasting rust protection and pleasant grip even with oily hands.
