

0591 Adjustable open-ended spanner, 0-13 mm, 4" / 100 mm, MATADOR 05910040

0591 Adjustable open-ended spanner, 0-13 mm, 4" / 100 mm, MATADOR 05910040

Beschreibung:

Adjustable Single Ended Spanners with metric scale

The practical **allround** spanner. **One for all.**

Several sizes per spanners. High-grade, durable **industrial quality**. **Good grip** thanks to **matt chrome-plated surface**, also with oily hands. **Swedish type** with **anticlockwise spool**. Jaws set at **15°**. **Extra polished heads** for **precise adjustment** of the jaws. **Exakt parallel jaws** for **perfect gripping** of the nut. **Precisely forged** for high resilience and minimal wear. With **metric scale** on the jaw **for simple identification** of the sizes of screws, nuts, pipes, etc. **With hole for hooks**.
