8145 smartyBOX, 61 pcs, S1 - Universal MATADOR 81452115

Beschreibung:

The new smartyBOX

Intelligent tools ultra-compact.

Intelligent tools with numerous additional features in a **versatile transport box** - that is the concept of the **MATADOR smartyBOX**. **Small, compact, stackable** and **can be clicked** onto each other for convenient transport. Thus you **always** have your most needed tools directly **available on site**.

The **61-pc set S1** is a **universal box** including the **most important tools** for small and bigger repairs at work, at home and for hobby. The **new 90-teeth reversible Z90 ratchet** allows you to work even in the narrowest spaces. With the **new MATADOR spinner handle** you can create **up to 30 different screwdriver** combinations. Thanks to all the **adapters included** a **blade length of up to 320 mm** can be reached. Together with the **innovative combination pliers** with **3KsoftGRIP** handle the S1 becomes a really **intelligent allround set**.

The smartyBOX - really smart.
