

8150 Cube S: combination pliers 1-piece, 180 mm, MATADOR 81500500

8150 Cube S: combination pliers 1-piece, 180 mm, MATADOR 81500500

Beschreibung:

The MATADOR Cube S module with the power combination pliers is versatile. The pliers body is made of special, matt chrome-plated tool steel. The additionally inductively hardened cutting edges can cut soft and hard wires. In addition to a gripping zone for flat and round materials, these pliers have a nail and wire holder. The integrated ring spanner makes it possible to work on screw connections. The ergonomic 3-component handle ensures optimum power transmission as well as fatigue-free and easy working. The intelligently milled soft foam insert enables easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems. The power combination pliers have an overall length of 180 mm.
