

8150 Cube L: ratchet set 6-pcs. 6.3 mm (1/4") MATADOR 81502061

Beschreibung:

The MATADOR Cube L module with the 6-piece ratchet set contains the basic equipment for working with sockets and connecting parts. The fine-toothed ratchet gear with 90 teeth, a 4° swivel angle and the very narrow head also enables work in confined spaces. Quick changes between left-hand and right-hand rotation can be made via the recessed switch lever. The proven SafetyLock pressure head lock ensures a secure connection and quick change of sockets. The socket handle has an

internal square drive that can be combined with screwdriver inserts or an extension. The universal joint makes it possible to work on angled screwdriving applications. Extensions in 50 and 100 mm are needed when working in hard-to-reach places. For fixed screw applications, the sliding handle can be used as a T-handle or also as an L-handle. A ball lock ensures a secure grip on all tools. The intelligently milled soft foam insert enables easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems.
