

8150 Cube XS: bit sockets 15-pcs. 6.3 mm (1/4") MATADOR 81502076

Beschreibung:

The MATADOR Cube XS module with the 15-pcs. screwdriver bits contains tools for various internal screw connections. For a long service life, the manganese-phosphated tips are made of hard special steel. This guarantees optimum power transmission and protects the tool as well as the screw fittings. The inserts are designed exclusively for manual operation. The intelligently milled soft foam insert enables easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems.
