

0500 VDE Power combination pliers, 165 mm (6.1/2"), MATADOR item no.: 05001165

0500 VDE Power combination pliers, 165 mm (6.1/2"), MATADOR item no.: 05001165

Beschreibung:

The MATADOR multifunction combination pliers in insulated design for work under voltage. Up to 1000V, piece tested according to EN 60900/IEC 60900 and VDE certified. Grips powerfully and cuts precise hard and soft wires. Suitable for soft, hard and piano wires due to inductively hardened cutting edges. With asymmetrical gripping surfaces for better grip on the workpiece. Extra forged gripping zones for flat and round material. With practical nail and wire holder at the tip. Integrated ring wrench - ideal for countering or quick screwing when the key is not at hand. With ergonomically shaped 3-component handle for fatigue-free working. Maximum safety thanks to slip protection. American form. According to DIN ISO 5746.
