0530 Pliers assortment, 3 pcs, MATADOR 05309030

Beschreibung:

The country needs new pliers.

With multi-component handle and numerous special functions.

The practical set with the **most important** pliers:
combination pliers 180 mm, **power side cutters** 180 mm and **flat round pliers** with straight jaws 205 mm .

The

new MATADOR pliers with the **3Ksoft-GRIP cover** convey an increased grip when working due to the 3 components . The waisted handle shape and the combination of different and environmentally friendly materials allow the pliers to lie optimally in the hand. The **ergonomically shaped** 3KsoftGRIP, equipped with differently soft grip zones, ensures **low-fatigue** working . Safety is increased by an **optimized slip protection** and an eyelet for the optional attachment of retaining clips when working on roofs, scaffolding and building construction.

Combination pliers:

INFO
