MATADOR® SCHRAUBWERKZEUGE

0557 Water pump pliers Pro, MATADOR 05570250

0557 **Water pump pliers Pro, MATADOR 05570250**

Beschreibung:

Classic pliers in true professional quality.

Indestructible, safe and effective. Just a real MATADOR.

Water pump pliers **PRO**. With **automatic mouth width adjustment**. Compact, slim shape for working in confined spaces and hard-to-reach places. With nail and wire holder. Gripping capacity 40% above DIN / ISO due to arc-shaped grid adjustment. **Optimal mouth geometry** with self-clamping toothing for secure gripping. Teeth additionally **hardened inductively**. **Fine adjustment via "drag and drop",** remains locked even after opening the pliers. Quick adaptation to the workpiece to be gripped thanks to **innovative grid adjustment**. Handles covered with plastic. Inserted joint. **Integrated clamp protection** prevents crushing injuries. Double toothed gripper jaws, **inductively hardened**. Automatic mouth width adjustment.
