0605 **2C-Screwdriver, 10x175 mm, MATADOR Item No.: 06051610**

0605 **2C-Screwdriver, 10x175 mm, MATADOR Item No.: 06051610**

Beschreibung:

2K screwdriver (slot).

Premium workshop screwdriver with **shovel-shaped tip**. With **drive hexagon** for torque amplification in conjunction with a wrench. With **2-component handle with hard quick rotation and soft power zone**. With burnished lace. With hanging hole. Hard, black movement zone made of special plastic for quick gripping with low friction. Burnished tip for precise, durable fit in the screw. **Chrome-plated blades made of high-alloy special steel** for optimum **corrosion protection**. Soft and non-slip, grey grip zone made of TPE plastic for a secure grip with maximum pressure. With **spherical stitching end for comfortable support** at high torques. Anti-slip and roll-away protection due to hexagonal shape. Spare your hand and grab powerfully.
