

0620 2C-Screwdriver, TX 9x75 mm, MATADOR Item No.: 06200090

0620 2C-Screwdriver, TX 9x75 mm, MATADOR Item No.: 06200090

Beschreibung:  
2K screwdriver (TORX

). Workshop screwdriver for internal TORX®

® screws. With 2-component handle with hard quick rotation and soft power zone. With burnished lace. With hanging hole. Hard, black movement zone made of special plastic for quick gripping with low friction. Burnished tip for precise, durable fit in the screw. **Chrome-plated blades made of high-alloy special steel** for optimum corrosion protection. Soft and non-slip, grey grip zone made of TPE plastic for a secure grip with maximum pressure. With spherical stitching end for comfortable support at high torques. **Anti-slip and roll-away protection** due to hexagonal shape. Spare your hand and grab powerfully.
