0655 **2C-Screwdriver, PH 0x80 mm, MATADOR Item No.: 06550000**

Beschreibung:

2K screwdriver (PH 0). Premium workshop screwdriver for Phillips Recess screws. With 2-component handle and hard quick turn and soft power zone. With drive hexagon for torque amplification in conjunction with a wrench. With burnished lace. With hanging hole. Hard, black movement zone made of special plastic for quick gripping with low friction. Burnished tip for precise, durable fit in the screw. Chrome-plated blades made of high-alloy special steel for optimum corrosion protection. Soft and non-slip, grey grip zone made of TPE plastic for a secure grip with maximum pressure. With spherical stitching end for comfortable support at high torques. Anti-slip and roll-away protection due to hexagonal shape. Spare your hand and grab powerfully. MATADOR is one of the pioneers of the tool industry. Since 1900 we have been producing quality hand tools "around the screw". We stand for sophisticated premium tools. Reliable, design-oriented, no frills. For people who know what they want. They are in the arena and not in the auditorium. Being able to distinguish tools from toys. Who believe in themselves. Welcome to the Arena! Be a MATADOR.
