

0660 Electrician's screwdriver, 0.5x3x100 mm, MATADOR item no.: 06600530

0660 Electrician's screwdriver, 0.5x3x100 mm, MATADOR item no.: 06600530

Beschreibung:

Electrician screwdriver (slot). Screwdriver for electromechanics with plane-parallel tip. With drive hexagon for torque amplification in conjunction with a wrench. With 2-component handle with hard quick rotation and soft power zone. With burnished lace. With hanging hole. Hard, black movement zone made of special plastic for quick gripping with low friction. Burnished tip for precise, durable fit in the screw. Chrome-plated blades made of high-alloy special steel for optimum corrosion protection. Soft and non-slip, grey grip zone made of TPE plastic for a secure grip with maximum pressure. With spherical stitching end for comfortable support at high torques. Anti-slip and roll-away protection due to hexagonal shape. Spare your hand and grab powerfully.
