

0740 Bodywork file holder, MATADOR item no. 07400001

0740 Bodywork file holder, MATADOR item no. 07400001

Beschreibung:

Body file holder (350 mm / 14") with file (9 teeth/inch, coarse, cut 1, radially toothed) in set. With angle screw, suitable for different metal angles. The flexible file is made of double-sided carbon steel, which can polish the edges very quickly. No oil is needed, just dry or sharpen with water. Construction in cast aluminium and coated steel. Handle for right- or left-handers, makes the work easier. Can be used to sharpen flat, convex or concave surfaces. For flat and round files.
