

0770 Screw Extractor "ScrewIT!", MATADOR 07700002

0770 Screw Extractor "ScrewIT!", MATADOR 07700002

Beschreibung:

Screw Extractor "Screw it!"

Loosens nearly all damaged, unhardened and even rusty screws without thread repair tools.

The problem: Screws of low quality are used more and more.

The consequence: Damaged and rounded screw heads are no longer an exception. Even the best screwdriver will be of no use. The screw cannot be loosened.

The solution: In most cases the screw can be loosened without employing laborious threading tools: Simply drive the tip of the the MATADOR ScrewIT! down into the screw head by using a hammer, then unscrew the screw - done!
