6175 Torque spanner UNO, MATADOR 6175

6175 **Torque spanner UNO, MATADOR 6175**

Beschreibung:

torque wrench UNO.

A window. A value. One handle. One click.

Extremely precise and easy to use.

The new professional torque wrench with a completely new operating concept:
Simplest setting with extra fine scale division (from 0.5 N·**m to 1.0 N**· m for larger models), **only a clearly legible value in N·m**. **No double scale with unclear line indications**. With **narrow head** to reach narrow areas, with **firmly integrated lever switch ratchet** with 48 teeth and safety connection. The body is permanently protected by the powder coating. Thanks to the handy and **ergonomically optimally designed handle with finger recess**, the correct handling is child's play. The achievement of the desired torque value is indicated by a **clearly audible and tactile signal**. The MATADOR UNO is extremely precise, the **maximum deviation is only ±3%** of the set scale value. For the controlled right suit. **With German calibration certificate according to DIN EN ISO 6789.**

Technische Daten

Manufacturer-Number:	61750025M
EAN:	4040674232013
