

7001 Mini ratchet screwdriver, 1/4": 27 Nm, MATADOR item no.: 70010001

7001 Mini ratchet screwdriver, 1/4": 27 Nm, MATADOR item no.: 70010001

Beschreibung:

Mini ratchet screwdriver, 6.3 mm (1/4"): 27 Nm. High-performance pin percussion mechanism for smooth build-up of torque and protection of wrists. The mini ratchet screwdriver is 3x faster than conventional ratchets and has only 79 dB(A) sound pressure level. With force regulator for infinitely variable adjustment for various applications. With a length of 177 mm, the mini ratchet screwdriver is very small and handy. The damped handle is very low-vibration and additionally cold-insulated. Thus, also suitable for outdoor work. The mini ratchet screwdriver has a clockwise and counterclockwise rotation. The exhaust air duct escapes through the handle downwards by means of rotation principle (the air wave is broken for better workflow).
