7004 **Straight bar grinder, MATADOR 70040001**

7004 **Straight bar grinder, MATADOR 70040001**

Beschreibung:

pneumatic tools.

Screws still where others give up long ago.

The rod grinder is ideal for **contour grinding**, cutting, **milling, polishing** and **deburring**. Equally suitable for HM milling cutters, mini cutting wheels and stone grinding bodies. Collet 6
mm.With infinitely variable adjustment of the speed by means of a command dial. A rotation principle ensures the exhaust air guidance through the handle downwards, while the air shaft is broken for a better workflow. The rod grinder weighs only 0.7 kg and is **particularly quiet** at only 79 dB sound pressure level. With **damped, cold-insulated** (ideal for outdoor work) handle for **low-vibration** work. Delivery includes coupling plug.
