

## A black zippered tool kit is shown open, revealing a variety of tools neatly organized inside. The tools include a pair of pliers, a wrench, a screwdriver, a tape measure, a set of hex keys, a pair of gloves, and a roll of red tape. The kit is laid out on a white surface, and a pair of black work gloves is placed in front of it. The gloves have a green wristband and a label that reads "PRO FIT" and "E5001". The tool kit itself has a black fabric exterior and a black interior with various compartments and straps to hold the tools in place. The tools are made of metal and have black handles. The tape measure is a yellow and black model. The roll of red tape is labeled "PLYON". The hex keys are black and silver. The pliers and wrench are silver and black. The screwdriver has a black handle and a silver shaft. The gloves are black with a green wristband and a label that reads "PRO FIT" and "E5001". The tool kit is a compact and organized collection of essential tools for various tasks.

The 67-piece automotive tool bag is the perfect set of tools for all work in the automotive sector. Thanks to the nylon bag, all tools are stored in a space-saving way and are always at hand for work in case of a breakdown.

**8107** Automotive tool bag, 67-pcs, MATADOR item no. 81070001
