

8141 Cable drum with perforated wall hanger

**8141** Cable drum with perforated wall hanger

**Beschreibung:**

The MATADOR cable drum supplies you with the necessary energy directly at your workplace. With the 10 metre long cable, even larger distances can be bridged. An overload protection guarantees constant safety. It can be used for all perforated plates and workshop trolleys with a 10x10 mm hole grid. You can find a complete range of hooks and accessories here in our online shop.
