Beschreibung:

The smartyBOX S4
Socket sets of the latest generation.

The S4, 75 pcs, is the **complete set** in 1/4 "and 1/2" for all screw connections from 4 - 32 mm.

The **ideal combination** of **ratchets, accessories and sockets**. This **full range** of features is supplemented by the **multi-functional plug-in handle** with bayonet mount **for bit** and **square drive**. This means that all (1/4 ") socket **wrench inserts** and the bits can be driven. A **drill adapter** is also **included**, which enables the use of the (1/4") socket wrench inserts and the **bits (with color coding system)**. All tools are **safely housed** in a soft foam insert. The **quality plastic box** is perfect **for mobile use** and also **in any workshop**.

The **MATADOR i-Boxx 72** reliably **protects** the socket wrench sets from splash water and enables **maximum order**. It can be integrated into the MATADOR system. The robust box **can be loaded up to 5 kg** and offers a perfect overview thanks to the **transparent lid** and the **handle** that can be labeled. External dimensions **(W x D x H): 367 x 316 x 72 mm**.
