8145 **smartyBOX L2, 41 pcs, MATADOR 81454145**

Beschreibung:

The smartyBOX L2.

The all-round set for professionals.

The **41-piece L2** is the **all-round talent** among the tool sets of the smartyBOX series with the **most frequently required standard tools.**

This box is simply a **must have in any workshop**. **Ideal combination** of frequently used **tools**. From **wrenches** to a **hammer**, from a **knive** to **screwdrivers**, from a **saw** to **pliers** - **everything** that is important is **simply included**. All tools are **safely housed in a soft foam insert**. The **quality plastic box** is perfect for **mobile use** and also in **any workshop**. The MATADOR **L-Boxx** reliably **protects** the socket wrench sets against splash water and enables **maximum order.** It can be integrated into the MATADOR system. The robust stacking box **can be stacked** by simply clicking and separating the boxes.
