8145 smartyBOX L1, 80 pcs, MATADOR 81454150

Beschreibung:

The smartyBOX L1.
Multifunctional. Versatile. Flexible.

The **80-piece L1** is the **1/2" socket wrench set** with removable S1 smartyBOX in **1/4"** for all **screw connections** from **4 - 32 mm.**
Multifunctional. Versatile. Flexible. The ideal combination of ratchets, accessories and sockets. This **full equipment** is supplemented by the multi-functional **spinner handle** with bayonet mount for bit and square drive. This means that all (1/4") sockets and bits can be driven. **A drill adapter** is also **included**, which enables the use of the (1/4") sockets and bits (with **color coding system**). All tools are **safely housed in a soft foam insert**. The **quality plastic box** is perfect for **mobile use** and also in **any workshop**. The MATADOR **L-Boxx** reliably **protects** the socket sets against splash water and enables **maximum order.** It can be integrated into the MATADOR system. The robust stacking box **can be stacked** by simply clicking and separating the boxes.
