

**8150** Cube XL: combination ratchet spanner, straight pattern, 9-pcs. 8-19 mm, MATADOR 81500183

**Beschreibung:**

The MATADOR Cube XL module with the 9-piece combination ratchet spanner set (straight shape) combines the advantages of a ratchet with the slim design of a spanner. Due to many areas of application, this spanner has become an indispensable part of modern workshops as well as private toolboxes. The innovative 72-tooth ratchet technology makes it possible to tighten a screw up to 7 times faster than with a conventional spanner, in addition to the very high torque. Right-hand or left-

hand operation is achieved by simply turning the spanner. The careful and precise machining of these spanners made of chrome vanadium guarantees a perfect fit. An extremely durable nickel-chrome coating provides additional grip and corrosion protection. Four different practical adapters give this spanner a ratchet function, allowing sockets and bits to be used. The intelligently milled soft foam insert enables easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems. Contains the most important combination ratchet spanners (SW 8, 10, 13, 17, 19 mm).
