

8150 Cube S: flat round nose pliers 1-piece 170 mm MATADOR 81500585

8150 Cube S: flat round nose pliers 1-piece 170 mm MATADOR 81500585

Beschreibung:

The MATADOR Cube S module with the flat round nose pliers is the ideal tool set for holding, gripping, bending and cutting work. The additionally inductively hardened cutting edges can separate soft and hard wires. The integrated ring spanner makes it possible to work on screw connections. The body of the pliers is made of special, matt chrome-plated tool steel. The ergonomic 3-component handle ensures optimum power transmission, as well as fatigue-free and easy working. The intelligently milled soft foam insert enables easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems. The flat round nose pliers have an overall length of 170 mm
