

8150 Cube L: Mechanics set 6-pcs. MATADOR 81500719

8150 Cube L: Mechanics set 6-pcs. MATADOR 81500719

Beschreibung:

The MATADOR Cube L module with the 6-piece industrial impact tool set contains two flat chisels and drift punches as well as a centre punch and cross chisel. The special chrome-vanadium air-hardened steel guarantees very high strength and durability. Flat chisels are designed for chiselling work on masonry, concrete and hard stone. Cross chisels are particularly suitable for chipping metal. The centre punch can be used to set centring holes in metals and sheet metal, the piercer is suitable for punching holes in sheet metal. The intelligently milled soft foam insert enables easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems.
