

8150 Cube XL: ratchet set 5-pcs. 10 mm (3/8") MATADOR 81503061

Beschreibung:

The **MATADOR Cube XL Modul** with the 5-piece ratchet set contains the basic equipment for working with sockets and connecting parts.

The ratchet gear with 90 teeth enables quick loosening and tightening of screwed connections with a swivel angle of only 4°.

8150 Cube XL: ratchet set 5-pcs. 10 mm (3/8") MATADOR 81503061

Quick changes between left-hand and right-hand rotation can be made via the recessed switch lever. The proven SafetyLock pressure head lock ensures a secure connection and quick change of sockets. The cardan joint makes it possible to work on angled screwdriving applications. Extensions in 125 and 250 mm are needed when working in hard-to-reach places. For fixed screw applications, the sliding handle can be used as a T-handle and also as an L-handle. A ball lock ensures a secure grip on all tools.

The intelligently milled soft foam insert makes tool removal easy. Suitable for MATADOR RATIO and VARIO workshop trolleys as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems.
