

8150 Cube XL: ratchet set 5-pcs., 12.5 mm (1/2"), MATADOR 81504061

Beschreibung:

The **MATADOR Cube XL** module with the 5-piece ratchet set contains the basic equipment for working with sockets and connecting parts.

The **ratchet gear with 90 teeth**, allows quick loosening and tightening of screw connections with only 4° swivel angle. Quick

8150 Cube XL: ratchet set 5-pcs., 12.5 mm (1/2"), MATADOR 81504061

changes between left-hand and right-hand rotation can be made via the recessed changeover lever. The **proven SafetyLock pressure** head locking system ensures a secure connection and quick change of sockets. The universal joint enables the processing of angled screwdriving applications. Extensions in 125 and 250 mm are needed when working in hard-to-reach places. For fixed screw applications, the sliding handle can be used as a T-handle and also as an L-handle. **A ball lock provides a secure grip on all tools.**

The intelligently milled soft foam insert allows easy tool removal. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as Men's Kitchen, but also for almost all commercially available workshop trolleys and box systems.
