Our classics in perfect order.
Perfectly organized with the two-colored MTS modules.

The MATADOR MTS module with the 14-piece combination ratchet wrench set is part of the basic equipment for every workshop. The two-colored soft foam insert allows perfect order and easy tool control (missing tools are immediately recognized) and can be combined completely flexibly. Suitable for the MATADOR RATIO and VARIO workshop trolleys and the Men's Kitchen, but also for most commercially available workshop trolleys and drawers. Contains the most important combination ratchet wrenches (SW 6, 8, 10, 11, 13, 16, 17, 18, 19, 22 mm). Thanks to the matching adapters with push-button quick release function (1/4, 3/8, 1/2), the ratchet wrenches can also be used as ultra-flat ratchets.
