8164 MTS module (3/3): T-handle spanner set 15-pcs. 2-10 mm, T10-T45 MATADOR 81641441

Beschreibung:

Our classics in perfect order.
Perfectly organized with the two-colored MTS modules.

The MATADOR MTS module with the 15-piece T-handle wrench set (hexagon & TORX®) is a practical helper for difficult cases. The asymmetrical 2-component T-handle allows you to achieve very high torques and, thanks to the long blade, you can also loosen hard-to-reach screws comfortably and safely. The two-colored soft foam insert allows perfect order and easy tool control (missing tools are immediately recognized) and can be combined completely flexibly. Suitable for MATADOR RATIO and VARIO workshop trolleys and Men's Kitchen, but also for most commercially available workshop trolleys and drawers. Contains the most important T-handle wrenches: 2 - 3 - 4 - 5 - 6 - 8 - 10 mm and TORX® T10 - T15 - T20 - T25 - T27 - T30 - T40 - T45.
