8164 MTS module (3/3): Screwdriver set 34 pcs, MATADOR 81641600

Beschreibung:

Everything can be perfectly integrated at a glance.
Perfectly organized with the two-colored MTS modules.

The MATADOR MTS module with the 34-piece screwdriver set for all jobs should not be missing in any workshop trolley. The two-colored soft foam insert allows perfect order and easy tool control (missing tools are immediately recognized) and can be combined completely flexibly. Suitable for the MATADOR RATIO and VARIO workshop trolleys and the Men's Kitchen, but also for most commercially available workshop trolleys and drawers. Contains the most important screwdrivers in slotted, PH, PZ and TORX® versions. Also included is a complete set of precision mechanics screwdrivers. The matching voltage tester is of course also included. The comprehensive range is rounded off by two practical carburetor screwdrivers. All screwdrivers are equipped with modern, ergonomic 2-component handles for powerful work. The blades are made of high-alloy special steel and the working tips are precision-manufactured and burnished. This ensures a permanently perfect fit in the screw.
