MATADOR®
SCHRAUBWERKZEUGE

8164 MTS module (3/3): Measuring equipment set 11 pcs, MATADOR 81641798

Beschreibung:

Because man likes to measure.

Perfectly organized with the two-color MTS modules.

The MATADOR MTS module with the 11 pcs. Measuring tool set is a useful basic equipment for every professional workshop. This set can also be used as a supplement to existing measuring tool sets, as many other useful measuring tools are included here. The two-tone flexible foam insert allows perfect order and easy tool control (missing tools are immediately detected) and can be combined completely flexibly. Suitable for the MATADOR workshop trolleys RATIO and VARIO as well as the Men's Kitchen, but also for most commercially available workshop trolleys and drawers. Includes the modern and extremely precise 1/2 torque wrench UNO with an accuracy of only +/-3% for the range 20-200 NM. In addition to a quality spirit level 400 mm and the extremely precise caliper 150 mm, many other useful measuring equipment are included in the set: steel scale, roller belt measure, sensor gauge set, workshop angle and a precision hair ruler really accomplish every measurement safely and precisely!
